Mogan Is Wild and Is Bumped. Hancock Weakens In Second Game and Mansfield Bats Out Victory. The Double Dose.

(By R. V. Sawhill.)

Munsfield, Aug. 11 .- (Special) -- By . playing their old style aggressive game the Tigers took two games from Marion yesterday by 6 to 3 and 5 to 1 scores. Each game was however more closely fought than indicated by the score and furnished good sport the fans present. A large delegation of Marion rooters was on hand to cheer their favorites to victory and falled through no fault of their own. Southpaw Schanze twirled both games for the locals pitching good ball all the way through Mansfield found Lewis and Mogan comparitively easy and hit Hancock hard enough in one inning of the second game to cinch the contest.

FIRST GAME. Mansfield started things in this game with a rush andl although they scored but one run, made it appear as they would rush the visitors off of their feet. Marion however came back strongly and scored three times in the second inning. Schanze, then received better support and by pitching grand ball blanked them for the ollowing twelve innings. He would have shut them out for the remainder of the afternoon but for an error.

Schanze pitched good ball and with better support would have scored two shut out victories. He had the visliers baffled at all times. A timely hit by Lewis, after the bases had been filled on errors, was the only time in the Sixteen innings of the two games that he was found when It

Lewis pitched effectively for three Innings. He weakened from that time on and finally kicked himself out of the game in that sixth inning after Mansfield commenced to find him. Lewis has pulled off this stunt on two previous occasions against Mansfield. being put out of the game both times just when he was losing his effectiveness. Mogan who succeeded was wild and ineffective. Lewis was arrested for using abusive language and resisting an officer but was later let

Mansfield scored in the first on a pass to Biery, a passed ball and Farrel's muff of Rellly's throw to catch Bert napping, the ball going all the way to center. In the fourth Mcehan was hit, Davy sacrificed, Gnadinger grounded out, Smith and Flood singled, Smith scoring when Miller let Fleod's single go through him. In the sixth Guadinger led off with a double, Smith fanned, Flood singled and scored Gnadinger, Lewis kicked himself out of the game after Flood's nit. A pass to Riery, Mechan's single

hit batsman and Gnadinger's single were good for another in the seventh. Meehan and Gnadinger's single were good for another in the seventh, Meehan being called out at the plate on Flood was passed to start the eighth, Kettler sacrificed, Schanze doubled scoring the last run. Marion cored in but one laning, due to errors Mansfield playing a beautiful fielding game after that. With one out, Staley singled, was safe at second on Farrell's tap when Davy dropped Kettier's throw. Davy fumbled Reilly's grounder, filling the bases, Miller fanner but Lewis drove a waste ball to right, Gnadinger fielding it poorly and all three runs scored.

SECOND GAME. Schanze twirled just as effectively in the second game, Marion never aving a lookin. They got but one oun to third, that being when Wilams scored from second on Farrell's gie. But three men reached second o of them by errors. Schanze's hibition during the afternoon was a best he has put up since he

strained pitching arm and mith him going at his old stride, Mansfield should start back toward that first

Hancock, contrary to the precendent he has set on the local grounds was not wild and did good work in all but two innings. He weakened badly in the fourth, allowing five of the eight hits. He twirled good ball in the other innings, an error being

responsible for the fifth run. Nine men faced Hancock in the four th inning, with one down, Miller dropped Gnadinger's fly, he reaching econd. Smith then tripled to right. Flood tripled to right, Kettler singled and Redman tripled to right. Redman was caught at the plate on Schanze's tap and Biery singled, but Meehan grounded out, Indian Wil liams came in after the third with his tongue hanging out, having raced all over the field for that awful bombardment of hits. In the sixth with one out, Redman singled and went to third on his steal and Reilly's poor throw. He scored on Schanze's grounder. Marion scored in the sixth after one was down on Biery's error on Williams' grounder, an infield out

**** How to Cure Insomnia In Summer.

Insomnia is more prevalent in summer than at any other period of the year. The excessive heat causes restlessness, and the HEART AND BRAIN ARE PROMPTED INTO INCREAS-ED ACTIVITY.
A well known New York phy-

sician recommends the following method of inducing sleep to the torrid months: "A bath of moderate duration

in lukewarm water just before retiring will be found to be an encourager of steep. "flut the person should take

care not to dry himself thorough ly nor rub himself with a rough towel so that the circulation is stimulated. "The idea is that by merely

wiping off the body so that it is yet damp at the end of the bath the body retains the soothing and quieting effects of the warm water. The stimulus supplied by brisk rubbing would overcome those effects, as would water of extremes of temperature."

YESTERDAY'S RESULTS. Mansfield 5: Marion 1. Mansfield 6: Marion 3. Portsmouth 4; Newark 2.

Columbus, Aug. 111 - Portsmouth showed a great reversal of form against Newark yesterday and won a close game by the score of 4 to 3. Good pitching was responsible for the victory, as it was in the first two contestie. Jackson the Shoemaker's center fielder, went on the mound for his team and worked well. He was steady and never let up for a minute. He allowed but one pass and hit one man. All three of the Newark runs were aided by the Portsmouth errors.

Portsmouth made but one more hit than did Newark, but they were bunched and timely. B. Rechenheimer Portsmouth's new second baseman, made good with the stick and in the field. O'Day was shifted to center

Umpire-Hart,

THE LEWIS AFFAIR.

Almost as many Marionites attended the games at Mansfield yesterday as did the native of that place and while disappointed over the showing the Diggers made in the two games, thew have at least the satisfaction of knowing that Manager Joe Lewis is not guilty of assaulting Umpire Handiboe as Mansfield scribes have de-

the squabble occurred, was close but that Reilly easily had the runner out. A general mix-up occured when the ably said less to Handiboe than numnot strike Hanidboe or make any effort to do so. The umpire merely put him out of the game for objecting to thedecision whereupon a groundkeeper jumped into the scene and throwing wide open his coat so that his badge might be plainly be seen, placed Lewis under acrest. Then it became funny. Lewis was taken to the station but immediately the "rub" groundkeeper who had been given a badge and some authority, was called down by the Mansfield police. The Mansfield to the effect-that Lewis struck Handiboe is evident. Having Lewis put -Off Chase 2. Two base hit-Wrat- Gowdy 2, off Kaler 5. Hit by pitcher out of the game would help Mansfield a lot toward getting into third place. hence the attempt to make the offense so flagrant that President Quinn could not do otherwise. It all depends upon Handiboe's report and if he reports the matter different from the Sugar Bowl ice cream. 10c pint. tt | way it occurred he will probably re-

ceive a reminder of it when he hap-

ens around this way. Handlboe's work throughout the series was roaten, say thoe who saw CLUBS W. L. P.C. CLUBS W. L. P.C. the game. It is expected that Handiboe will be along this way for the Lancaster series. The management of the local club fears that trouble will occur if Handiboe is sent here.

During the latter half of the present season the Diggers have won consistently until they have met Handiboe and theh they have without exception gone down in defeat and there ha been trouble in the games, Scribes of the whole circuit, players and fans alike, declare him to be the biggest loke of the season.
